A STRATEGY FOR GLOBAL ENGAGEMENT

The University of Nebraska is committed to global engagement and international education. We will continue to expand our international presence and partnerships, and we will support our students and faculty in their global experiences. We will also work to address global challenges and promote sustainable development. We will continue to be a leader in global education and research.

VISION

The University of Nebraska shall be a vital partner in global engagement by:

1. Expanding our international presence and partnerships.
2. Supporting our students and faculty in their global experiences.
3. Addressing global challenges and promoting sustainable development.
4. Being a leader in global education and research.

GOALS

Goal #1: Significantly increase the number of undergraduates and graduate students studying abroad, with the goal of ultimately providing the opportunity for every undergraduate to study abroad.

Goal #6: Build on existing agreements and create new strategic partnerships in order to develop mutually beneficial education, research, and other forms of collaboration with institutions, governments and businesses outside the U.S. on key areas of importance to the state of Nebraska and the university.
